IDENTIFYING RESOURCES AVAILABLE TO YOU

CAPABILITIES STATEMENT

OUR MISSION: Harris and Associates LLC is a specialized CSR consultancy aiming to inspire and empower businesses while delivering a positive impact on society and the environment. We provide specialized employee trainings, community outreach models and ultimately assist in changing current corporate and community narratives that are no longer effective. Through knowledge enhancement, use of practical management tools, and implementing strategic advice on sustainability our clients are able to exhibit corporate responsibility

Harris and Associates LLC

ABOUT US

Harris and Associates LLC is an ancillary consultancy dedicated to increasing access to resources, promoting community wellness, and advocating for safe access through a community harm reduction model. We believe that economic development should integrate with community development. Therefore, we provide services that support the collaborative growth and operations of small businesses and non-profit organizations with corporations for positive social impact; i.e jobs, collaborative projects and information sharing.
