OUR MISSION

Harris and Associates LLC is a dedicated CSR consultancy committed to inspiring and empowering businesses to create meaningful impact on both society and the environment. We deliver specialized employee training programs, design effective community outreach models, and help organizations transform outdated corporate and community narratives. By enhancing knowledge applying practical management tools, and offering strategic guidance in sustainability, we enable our clients to demonstrate authentic corporate responsibility and long-term value

Harris and Associates LLC

ABOUT US

Harris and Associates LLC is a Georgia based consultancy providing expertise in impact reporting tied to ESG and sustainability initiatives, experience in project alignment, including United Nations partnership frameworks. Harris and Associates LLC has a strong focus on community-centered partnerships that create measurable social and economic outcomes. Our approach is effective, agile and client-focused tailored to corporate, nonprofit, and government sectors.
